

PLUMBING TEAM LEADER

PLUMBING TEAM LEADER ROLE

Build Modular/Evergreen is a part of the well-established Property Partners Group, aiming to become a leader in solving New Zealand's housing shortage by using world-leading technology to enable off-site manufacturing of affordable and environmentally friendly apartment buildings.

We are looking for Plumbing Team Leader to join our close-knit team, working alongside the Production, Carpentry, and Electrical Teams.

This is a great opportunity for someone who wants to continue using their plumbing skills, but also wants good work-life balance, structured regular hours, less travel and - most importantly - a clean, tidy workplace with easy access to all of your work!

WHAT IS IN IT FOR YOU?

- Work hours are 6 am to 2.30 pm - beat the Auckland traffic!
- Be part of the start-up team for a well-established parent company
- Great team culture with a strong Health and Safety commitment
- Work in a brand-new factory with an experienced leadership team.

WHAT YOUR DAY TO DAY WILL LOOK LIKE:

- Manage and lead the team of plumbers
- Work closely with Carpentry and Electrical team leaders to ensure the flow of production through the factory is optimised to program
- Show your team how to install correctly, follow plans and use your technical ability to problem solve
- Be a hands-on mentor, working alongside your team to install all plumbing works including pre piping and fit off for fully installed kitchens and bathrooms within the completed apartment units to all NZ code requirements
- Work closely with Auckland Council site inspectors to provide all required documentation and ensure we pass every inspection with ease.

ABOUT YOU?

- Certified/registered plumber with experience in residential new build
- Experience reading plans and have a good understanding of G12/13 and AS/NZ3500 Standards
- Hold a current practising license and is NZ Certified in plumbing and drain laying
- Leadership experience with the ability to train, coach and mentor
- Strong organisational and time management skills
- Excellent communication skills, both written and verbal
- Have a keen eye for detail to achieve a high quality of workmanship.

Apply now if you are in construction and are sick of working outdoors, random hours, and on different construction sites every day, build your career with a company changing how NZ apartments are built.
