

QUALIFIED CARPENTER

QUALIFIED CARPENTER ROLE

Build Modular/Evergreen is a part of the well-established Property Partners Group, aiming to become a leader in solving New Zealand's housing shortage by using world-leading technology to enable off-site manufacturing of affordable and environmentally friendly apartment buildings.

We are looking for a hands-on Carpentry Team Leader who has strong carpentry and team-leading experience to join our team at our factory based in Wiri.

This is a permanent position with an established company. You will get to work in a safe, clean, well-managed factory environment and have consistent hours (6am to 2.30pm).

WHAT WILL YOU DO?

- Lead a team of Carpenters and Hammerhands
- Work closely with other Carpentry, Plumbing, and Electrical Team Leaders to ensure the flow of production through the factory is optimised
- Show your team the importance of attention to detail, following plans, and using your technical ability to problem solve
- Motivate, coach, and mentor your team to help them reach their career goals
- Construct timber buildings alongside your team
- Operate machinery, hand, and power tools
- Construct framing, erect plasterboard, exterior cladding, interior fit-outs, and trim.

WHAT DO YOU NEED?

- Ability to read plans with an understanding of the building codes
- Good eye for detail and an ability to solve problems practically
- Strong communication skills with a "can-do" attitude
- Proven experience leading a crew
- Strong commitment to H&S
- Excellent written and verbal communication skills
- LPB is ideal but not essential.

If you love construction but you are sick of working outdoors, random hours and on different construction sites every day, this is an excellent opportunity for you!

**You must be a permanent resident or NZ citizen to apply as Build Modular/Evergreen is not yet an accredited employer.
